**CAMBRIDGE INTERNATIONAL AS & A LEVEL TRANSCRIPT  
STUDENT NAME: Dev Kunal Turakhia**

This transcript has been prepared for **DEV KUNAL TURAKHIA** as a requirement for her application to Universities in India and abroad.

**Grade XII Predicted Grades:**

Subject	Level	No. of hrs/ Week	Grades	Remarks
English General Paper (8021)	AS Level	4 hours	a	Dev demonstrates excellent comprehension and analytical skills. His arguments are logical, well-structured, and supported with relevant evidence, reflecting strong critical thinking.
Mathematics (9709)	A Level	4 hours	A	Dev is showing good progress in A Level Mathematics, demonstrating increasing confidence in applying concepts across algebra, calculus, and trigonometry. His problem-solving skills are developing well, and consistent effort is leading to improved accuracy and understanding.
Physics (9702)	A Level	4 hours	A	Dev is a sincere student and active learner. His understanding and problem-solving skills in Physics are highly appreciable. His hard work and dedication to physics are reflected in his assessment.
Chemistry (9701)	A Level	4 hours	A*	Dev displays the intellectual depth and scientific maturity of an outstanding A-Level learner. His advanced reasoning, meticulous practical skills, and strong research orientation position him for top performance. His dedication and independent learning make him highly likely to secure an A* in A-Level Chemistry.
Biology (9700)	A Level	4 hours	A	Dev has demonstrated sincere effort and a high level of commitment towards the subject. In light of his consistent progress, the predicted grade for his A-Level examination is an A. His enthusiasm for practical work and

				experimental investigations further reflects his deep engagement in Biology
--	--	--	--	-----------------------------------------------------------------------------

### Grade XI:

Subject	Level	No. of hrs/ Week	Grades	Remarks
Mathematics (9709)	AS Level	4 hours	a	Predicted grade mentioned here as he has appeared for Oct/Nov 2025
Physics (9702)	AS Level	4 hours	a	Dev has completed the October–November examination series, and his persistent preparation and strong work ethic indicate a predicted grade of 'a'.
Chemistry (9701)	AS Level	4 hours	a	Dev has shown remarkable growth throughout the AS Level course. He thinks analytically, performs practical tasks with precision, and approaches challenging topics with maturity and persistence. He is on track to achieve an 'a' in Cambridge AS Level Chemistry.
Biology (9700)	AS Level	4 hours	a	He has appeared for the October–November examination series, and considering his consistent preparation and dedicated efforts, the predicted grade for him is an 'a'.

### Grade X:

Subject	Level	No. of hrs/ Week	Grades
First Language English (0500)	IGCSE	4 hours	B
Mathematics (0580)	IGCSE	4 hours	A
Physics (0625)	IGCSE	4 hours	A*
Chemistry (0620)	IGCSE	4 hours	A*
Biology (0610)	IGCSE	4 hours	A*

### Grade IX:

Subject	Level	No. of hrs/ Week	Grades
First Language English (0500)	IGCSE	4 hours	B
Mathematics (0580)	IGCSE	4 hours	B
Physics (0625)	IGCSE	4 hours	B
Chemistry (0620)	IGCSE	4 hours	A*
Biology (0610)	IGCSE	4 hours	B

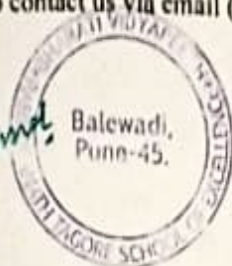

please feel free to contact us via email ([higher.secondary@bvrisc.in](mailto:higher.secondary@bvrisc.in)) on the given details.

Sincerely,

Ms Jumana Gari
